

SSD Utility Management Software (Ver. 6.0.0.22) Now Available And Update of User Guide for Legacy SSD Utility Management Software (Ver. 5.3.0004)

25 September 2023
KIOXIA Corporation

To: Valued Customers,

New SSD Utility management software (version 6.0.0.22) is released today.
We strongly recommend updating to the new version as it improves stability.

The new SSD Utility management software can be downloaded from the following page.

<https://europe.kioxia.com/en-europe/personal/software/ssd-utility.html>

The User Guide for the Legacy SSD Utility management software (version 5.3.0004) is updated.
The updated User Guide for the Legacy SSD Utility management software (version 5.3.0004) can
be downloaded from the following web page.

We strongly recommend that you use the updated User Guide, which includes a list of error
messages and instructions on what to do in the event of such errors.
