

# Some software supports for personal SSDs will be terminated due to the end of the support period for personal SSDs

February 9, 2026  
Kioxia Corporation

To: Valued Customers,

We at Kioxia Corporation are informing you that due to the end of the support period for personal SSDs, some software supports will be terminated after February 9th, 2026 as listed below.

- SSD Utility management software
- CLOUT
- Q300/A300 Firmware Update Tool
- Storage Utility

## SSD products that will no longer be supported by SSD Utility

SSD product name	Picture
RD500	 A Toshiba RD500 NVMe SSD. The label is black with a gold diagonal stripe and the text 'TOSHIBA' and 'RD500'.
RC500	 A Toshiba RC500 NVMe SSD. The label is black with a red diagonal stripe and the text 'TOSHIBA' and 'RC500'.
TR200	 A Toshiba TR200 SATA SSD. The label is black with green accents and the text 'TOSHIBA', 'SOLID STATE DRIVE', and 'TR200'.

XS700

SSD product name	Picture
A100	 A photograph of a Toshiba A100 SSD. The drive is silver with a black and red label. The label features the Toshiba logo, the text "Solid State Drive", "SSD" in large red letters, and "A100" at the bottom.
Q300	 A photograph of a Toshiba Q300 SSD. The drive is silver with a black and white label. The label features the Toshiba logo, the text "Solid State Drive", "SSD" in large black letters, and "Q300" at the bottom.

# SSD products that will no longer be supported by Storage Utility

All SSD products supported by this software are no longer supported.

SSD product name	Picture
Q300 / Q300 Pro	 The image shows two Toshiba SSDs side-by-side. The one on the left is the Q300 model, featuring a black label with 'TOSHIBA' in white, 'Solid State Drive' in small text, 'SSD' in large white letters, and 'Q300' at the bottom. The one on the right is the Q300 Pro model, featuring a yellow label with 'TOSHIBA' in black, 'Solid State Drive' in small text, 'SSD' in large black letters, and 'Q300 Pro' at the bottom. Both drives are silver-colored with four mounting holes.
